236 Index

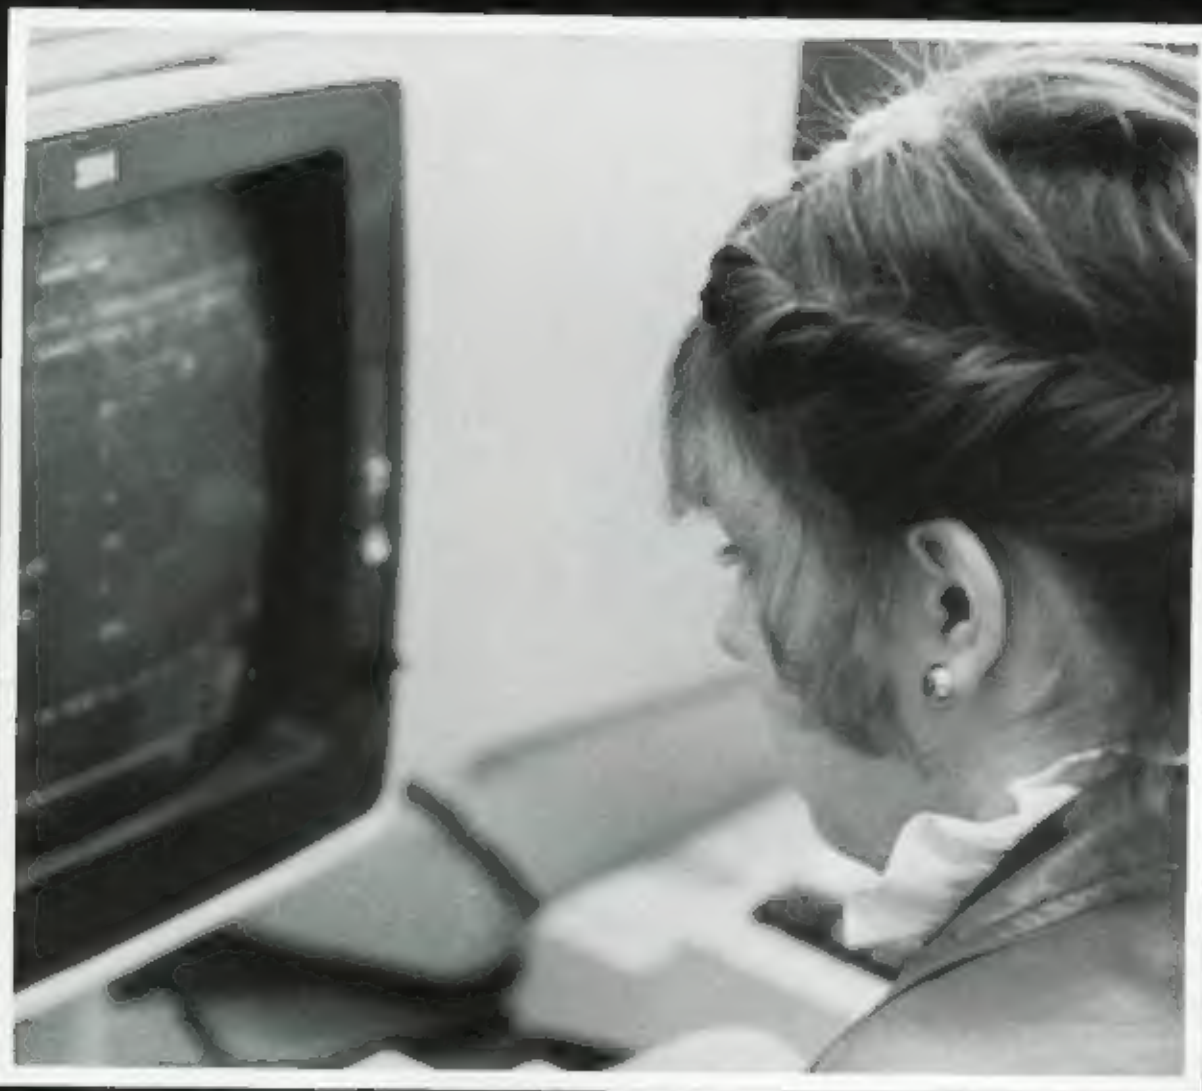

We are in a computer age which has become very influential in our lives. Consider how many ways we use the computer every day: video games, home terminals, student attendance, even the checkout line at the grocery store! We are a generation initiating a new life style of which computers are such an important part.

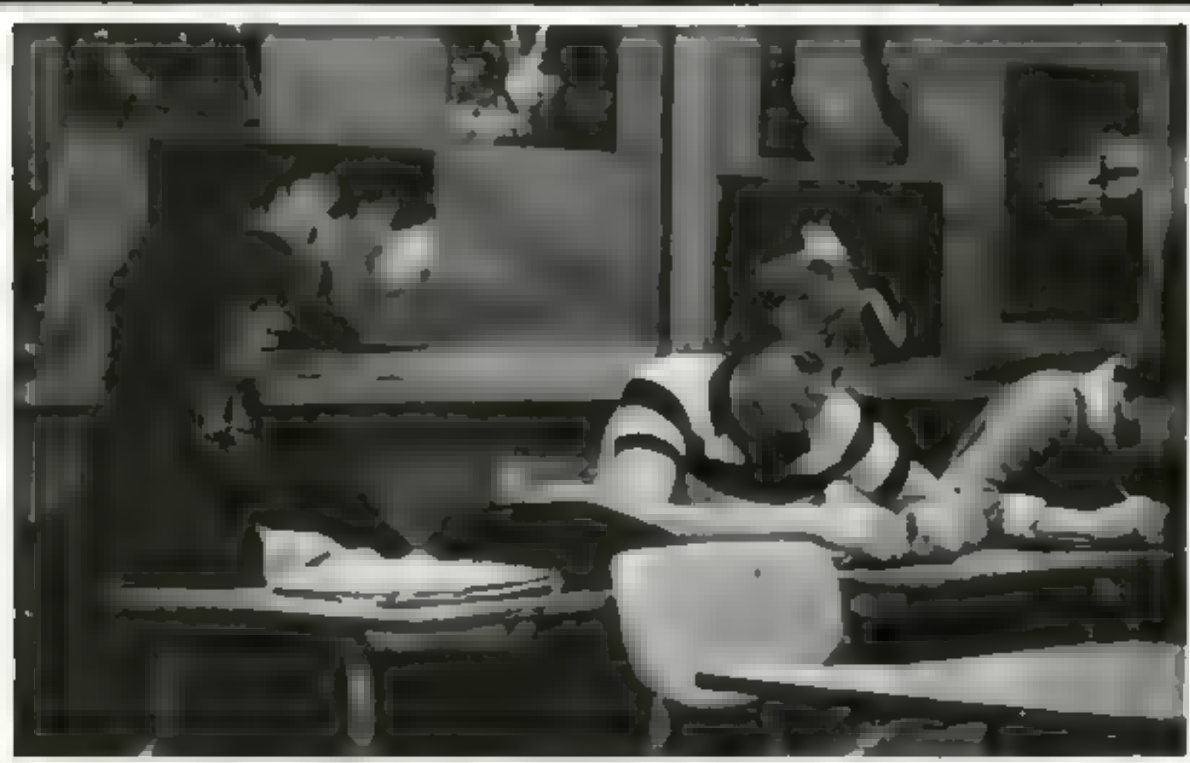

This is the year of Pac-Man, Donkey Kong, Defender, Husky Fever, The Tacoma Dome, punk rock, cowboy boots, preppies, and sparkle jeans. Think of all the trends we've set and all our new ideas to come. As today's students, we are gradually shaping Mount Tahoma's future. Our memory and the impression we make will live on long after we are gone.

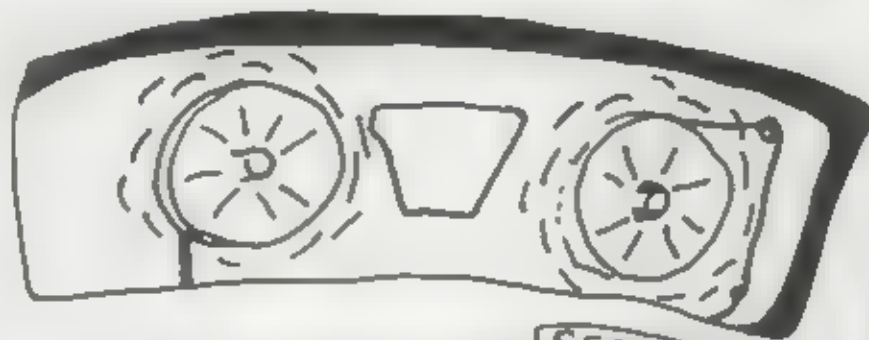

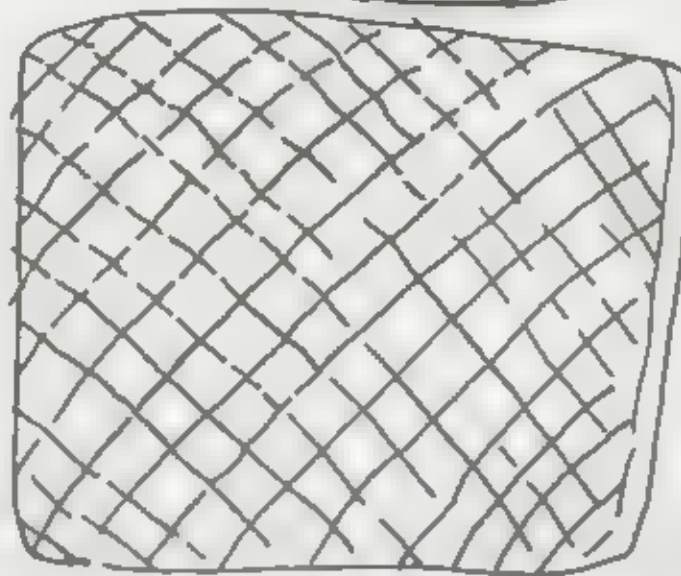

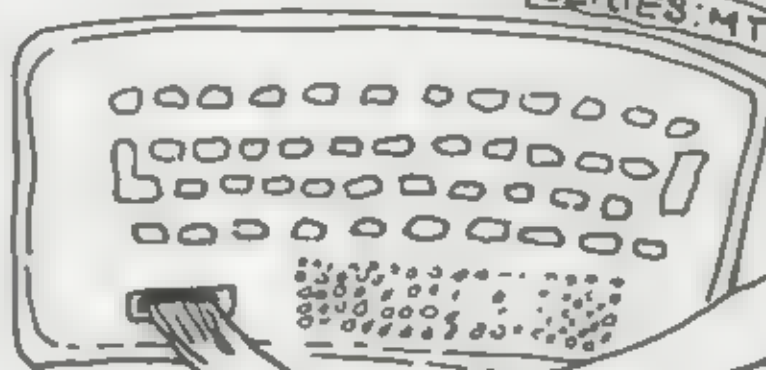

Our generation can
only be as fantastic
as we make it.
Program yourself to
be everything you
can and GO FOR IT!!
Following the theme
of computers, we
very proudly present
the 1983 TOTEM
and it's for you,
Mount Tahoma's
finest — Class of
'83.

Academics is an integral part of a high school education. Although many other aspects of school are covered in the yearbook, academics is the real reason for coming to school. We, the annual staff, have tried to show different classes and acknowledge those students with exceptional grade point averages.

Along with the honor students, this section also features exchange students. These students come to Mount Tahoma from all over the world to learn English and our culture.

So these pages are for you, Mount Tahoma students.

Inspired by tremendous crowd support, the T-Bird football team began the season by capturing the Grid-Go-Round title. The Red Ball Express was led by captains Alan Patton, Mike Carrington, and David White. Besides captains Award, Alan Patton received the honor of Most Inspirational and "Mr. Defense." Robert Callaghan and Bryan Rychner shared the Coaches Award, while Tony Stinson was Most Improved Player. The T-Birds offense was led by Brian McElroy and Mike Carrington, who shared the title of "Mr. Offense."

After winning a tough Non-League game with Columbia River, the T-Birds entered a Narrows League that was unexpectedly tough.

After losing the first four games to tough opponents, the T-Bird Gridgers ended the season with three very convincing wins, topping the season off with a 4 and 4 record.

Though they had the largest volleyball turnout in several years, it was a rebuilding year with only three seniors on the team: April Livingston, Bianca Molinari, and Karen Chandler. The enthusiasm and strong backing helped the team gain momentum in the first half of the season, putting Mt. Tahoma in a tie for first place at mid-season. However, the second half proved less satisfying as the team suffered a series of set backs, which brought them to a 7-7 record for the season. Throughout the disappointments of the second half of the season, the team members continued to display pride, sportsmanship, and determination, which are integral parts of the T-bird spirit at Mt. Tahoma. Two players, co-captains Bianca Molinari and April Livingston made the All-Narrows first and second teams respectively.

Rosemary Alejandro and Roni Thurber joined their skills to make up Mt. Tahoma's best doubles team. The most improved player award went to Karen Nielson. With their team made up of mostly juniors and sophomores, they hope to come back as a big contender in the Narrows League next year.

Lisa Elliot, Mimi Davis, and Tracy Nichols showed much dedication and improvement. High-point and Inspirational Awards winner, Carolyn Piksa, also placed sixth in the 50-yard free-style and seventh in the 100-yard free-style at the district meet. The Most-improved Award went to Lisa Schneider. Kathy Schmitz, the team captain, held the team together with her enthusiasm and leadership.

This year's team had one of its better seasons. The T-Birds were led by seniors Eli Thompson, Mike Rome, Doug Rettko, Larry Cade, Tyrell Sanders and Peter Bergman to a 5-9 league record and a 9-11 season record. A tough man-to-man defense kept the team in a possible play off position up to the last two games.

The offensive force inside of Doug Rettko, Larry Cade and Mike Rome, the outside shooting of Bobby Barnette and the great passing of Eli Thompson are what did it for the hoopsters on the offensive end of the court.

This year's team won the title of Narrows League Champions, with an outstanding 18-2 record, losing only to Bellarmine 54-49 and Bremerton 58-53.

The team was led by scoring leader John Meeker who averaged 16 points a game, Russ Robinson the team's leading rebounder with 10 rebounds a game and Robert Sneed who led the team in assists, with an average of 6 assists per game. Greg Thompson doing a great all-round job really filled the gap when Guy Kovacs was moved to Varsity.

Combined with the returning letterman, next year's Varsity team should be in the play-off picture.

Mt. Tahoma's girls' varsity basketball squad was a very young and inexperienced team. With only two seniors, the team had managed to win only two games this season. The statistics do not tell the real story. Mt. Tahoma had a gutsy team with a lot of potential — nine out of fourteen league games went right down to the wire and were decided either at the free throw line or at the last minute of the game. Added maturity and depth next year might see the girls competing at the play-off level.

The girls' junior varsity basketball team had a very successful year and was one of the best J V squads we've had in years. Coming off a 13-7 season, there are a few girls that will definitely be able to contribute to next year's varsity squad. They will add more depth to an already young, but talented squad.

Girls' Soccer achieved their best season ever with a 9-0-3 record. They had a very powerful team that was never behind. They were ahead of Bellarmine and Wilson until the last 10 minutes. In the Wilson game, the T-birds held their lead until the last 33 seconds when Wilson tied the game. Although Mt. Tahoma had no losses, they ended the season in second place after Wilson, who only tied twice. Striker Shellie Benoit was the top scorer with 17 goals. Tammy Fabre, another striker, led the team in assists with 10 and added 9 goals. Co-Captain Tina Bassett and midfielder Valerie Sampson had an outstanding season. Co-Captain and goalie Carolyn Piksa had 6 shut-outs and an average of .75 goals scored against her each game. With only four seniors on the team, there will be many returnees next year and should be very strong contenders.

Coach Magnuson gives Mike last minute instructions

This year's wrestling team, with a record of 7-7, had one of the most successful seasons ever. Aided by their new coach, Herm Magnuson, the team produced some outstanding wrestlers. Some of the outstanding wrestlers included seniors Randy Rash, Dale Mulholland, and Tony Fawcett. Sophomore David Anjo was undefeated until his season was cut short caused by an injury in the Lincoln match. This year the T-birds sent ten wrestlers to sub-regionals where Derrick Jones placed second in the 135 lb. weight division, Bill Scott placed third in the 178 lb. weight division, and David White placed third in the 190 lb. weight division. With the many juniors and sophomores returning they should have a fine season next year.

Though having a tough schedule, the boys' swim team fared well. Led by co-captains Roy Kamisugi and Tony Hernandez, they had an enjoyable season. The T-Birds had much depth with the five returning seniors. Glenn Stalder in the breaststroke and butterfly, and Joe Russel in the free-style led the team in scoring. With a good number of juniors and sophomores, Mt. Tahoma should do well next year.

With a new coaching staff which includes head coach Ross Parker, sprinting coaches Lloyd Owens and Robert Batie, and field events coach Vince Goldsmith, the T-bird track team has had a good season. This year's team was few in number but high in spirit and talent. The strong competitors on the girls' team were Senior Blanca Molinar in the 100 and 300 hurdles, Senior April Livingston in the 100 yard dash and long jump and Junior Mary Leppard in the 400 and 800 meter run. The standouts on the boys' team were Senior Mark Ragan in the 800 and 1600 meter runs, Andre Sledge in the high hurdles and pole vault and John Christensen in the 400 meter run.

With a good combination of lettermen and underclassmen, the boys baseball team had a successful season. They had a lot of experience with seven players returning from last year's squad. This year's team had very few weak spots. The infield, led by the senior lettermen, was said to be one of the best in the city. An outstanding outfield, led by Larry Cade, made many catches and held runners from scoring. When a team scored on the T-Birds there was little to worry about with power packed batting from Troy Rasmussen, Brian Rychner, Vic Carlson and Kirt Rohrs. Coach Gee was happy with the season and glad he has a lot of talent to fall back on next year.

Though there were six returning let-termen, the team had to regroup with a few girls switching positions. They soon got a good feel of each other's capabilities and began to play ball well together. Led by seniors Valerie Sampson, Julie Riley, Kim Heinz, Mary Moore, and Lori Lakin, the T-birds had a successful season. With outstanding outfielding, pitching and hitting, junior Carolyn Piksa contributed much to the team's success. The team members were very supportive of each other and never gave up. To strengthen their group spirit, the girls ran the **Port of Tacoma Run** and had a pizza feed afterwards. With several juniors and sophomores, they should be good contenders next year.

The key to this year's JV slowpitch team was intelligence, aggressiveness and coachability. The JV team had a strong defense with good play coming from the infield and outfield. With such a strong combination of sophomores and juniors, next year's team should do well.

The team was led by standouts Dale Mulholland, Joe Lawless, Doug Rettko and the Sneed Brothers, Robert and Ellis. The soccer team represented us well with their spirit and hard work.

The 1983 tennis team was young and competitive. With only three returning lettermen, seniors Robert McDonald and Tony Schaffer, and junior Young Kim, they had a fairly inexperienced team. Two pleasant surprises for Coach Trujillo were senior Eli Thompson and junior Michael Shannon who began their tennis careers this season. With continued effort, sophomore Dave Christensen will be a top contender for Mount Tahoma. There is a promising outlook for the young team. **Photos by:** E. Williams

Although a young team, having only juniors and sophomores, the golf team has improved over past years. In some matches, they have scored three times as many points as previous seasons. Part of this improvement was due to the leadership of Rob Hoover, Mike Papachek, Larry Wolf and Lenny Schatz. Because of the youth of the team, we can look forward to stronger golf teams in the future.

Mt Tahoma's **Studio Choir**, dressed in burgundy formals and black tuxes, certainly looked as they sounded. They were quite busy this year, performing many times throughout the year. A special highlight of the year was being photographed by the TNT while performing downtown Tacoma during the Christmas season. At the Christmas Concert they performed "Twas' the Night Before Christmas" in their pajamas

Although they were a new group this year, with David Seward as the only returning member, they soon got into the swing of performing together as a group

Our marching band has had a successful year. They started practicing together even before the school year had begun. With exciting new music such as, "Centerfold" and "We Got the Beat" (as well as some old favorites), they helped provide enthusiasm at our pep assemblies and games. The theme this year for their half-time performance at the football game was "Super Heroes". The band and Tawankas marched and performed to "The Greatest American Hero", "Batman", "Raiders of the Lost Ark", and "You've Got to be a Football Hero". The terrific performance ended with our own school song. The next exciting event on their agenda was marching in the Santa Claus Parade. The group ended the year by marching in the Daffodil Parade. The marching band has done a great job this year!

Tawankas is the drill team that performed at games and assemblies during football season. At Christmas, they marched in the Santa Claus Parade along with the marching band. Their routines were set to "Just Can't Get Enough," "Batman" and "Greatest American Hero." Tawankas ended a successful year by marching in the Daffodil Parade. This year's co-captains were: Dawn Budd, Brenda Ableman, Dianne Hall and Kelli Kendall. To raise money the team sold spirit ribbons and Halloween Candy-Grams. This summer, to prepare for the season, the girls went to drill team camp at UPS for one week. They were honored with two ribbons: one for outstanding entrance and exit, and for overall excellence.

The photograph is framed by a dark border.

Tawanas is the drill team that performed at games and assemblies during basketball season. Their routines were set to "Fantasy", "Bad Mama Jama," and "Let's Hang On". They also went to all of the boy's basketball games to support the team. Tawanas ended a successful year by marching in the Daffodil Parade. This year's captains were Kelli Kendall and Diane Severson. This year's advisor was Mr. Trujillo.

A black and white photograph of a large group of cheerleaders posing with their signs. The signs read: "JUNIOR #1", "JUNIOR", "PEP CLUB", "WE'VE GOT SPIRIT", "GIVE US A HAND", "HOW ABOUT YOU?", and "JUNIOR". The cheerleaders are arranged in two rows, with some sitting on the signs and others standing behind them.

This year's Pep Club has been a very important one to Mount Tahoma's teams' success. They made signs for all sports which were hung in the halls and gym. For some teams, the Pep Club gave parties or presented cakes at assemblies. A few of the girls' teams were given flowers for their fine accomplishments on the courts and fields.

This year's Tower staff worked extremely hard to put out a high quality newspaper. The staff, consisting of only thirteen members, faced many problems. The main one was no one on the staff including Mr. Gammell, the advisor, had any prior experience because Mount Tahoma did not have a newspaper last year. Even though we made many mistakes, everyone always kept their good humor, and we all had a lot of fun! After a while, with Mr. Gammell's help, we all got the hang of things. Writing and proof-reading stories became fun instead of frustrating. Laying-out pages stopped being a guessing game and articles started being placed somewhere for a reason. Even meeting deadlines became almost possible

Photographers: Ken Ketron, Tony Mattsen, Ed Williams

Although a lot of hard work and a few long nights were endured, the staff always remained dedicated to putting out the best newspaper Mount Tahoma has ever had or ever will have. The students at Mount Tahoma should be very proud of their newspaper and their newspaper staff.

TOTEM STAFF

Cathy Ironquist talks to Tammy

Mr. Gammell, advisor

The **Totem** staff's purpose was to put together the yearbook. Among their duties were taking pictures, writing captions, selling yearbooks and engraving names before the final product was distributed. They have worked long, hard hours, putting in evenings and weekends to produce a quality yearbook. The staff, despite all of the hard work, has had a lot of fun working as a team toward each of their five deadlines.

CAMP COUNSELORS

Fall Camp Counselors: Melanie Jeanblanc, Debbie Rief, Trisha Bloom

Spring Camp Counselors: Matthew Valdez, Wendy Trainor, Paul Sparks, Gabrielle VonAppen

Selection of Camp Counselors was based on grades, attendance and personality. All of the selected students went to Foss for about three weeks of training. They learned good leadership, songs and how to have fun. After this training, they went to camp to put into action what they had learned. During each session the counselor taught sixth graders from area schools about the environment and how to work with others as a team.

Our club has done a lot for the school and community. This year, they visited the Tahoma House regularly. They coordinated both the food drive and the blood drive. In January, the members participated in the March of Dimes. The highlight of the year was sending several delegates to the regional convention in Pasco. Key Club promotes pride, concern, love and caring, which are some of the themes of Key Club. Another theme is "strength from within." This year's officers were Kelli Kendall-Pres., Tom Shjerven-V. Pres., Sue Sparks-Sec. and Dianne Hall-Treas.

FOREIGN LANGUAGE CLUB

A person doesn't have to be in a foreign language class to be in the Foreign Language Club, just interested in different cultures. During the year, German, Spanish, and French were explored. The club celebrated Mardi Gras, had tasting parties, and went out to various restaurants. One goal of the club is to raise money to help send students to Foreign Language Camp in April. At camp, they were allowed to speak only their specialty language. The students learned more vocabulary and more about the culture they studied. In short, the purpose of this club is to help the student broaden his experiences with other people and other cultures.

The members have learned how to engage in individual and group enterprises, how to hold an office, and how to work and compete with other students on the local, state, and national level. FBLA offers travel to state conferences, visits to other chapters and contact with successful business people. There are also many social activities. Mount Tahoma's Club started the year with a pizza party at Mr. Rennie's house.

The club's purpose is to develop the students' interest in skiing and have a good time. They went on three local trips: Crystal Mountain in December, Night Skiing at Pac-West in January, and returned to Crystal for Spring skiing in March. The highlight of the year was the four-day trip to Whistler Mountain in Canada. Led by advisors Mr. Leebnick and Peggy Garrison, many people improved their skiing and many were introduced to the sport.

In these meets, the questions that are asked can be of any kind, so a person must have a wide intelligence. This year's officers were President Robert Callaghan, Vice-President David Britton, and Sec-Treasurer Sung Kim.

CLASS OF 1985

At the time of the yearbook, the following students were members of the Class of 1985.

Photos by: Tony Mattsen

The theme "Golden Memories" was chosen this year because the Daffodil Festival is celebrating its 50th anniversary. Along with being a special year for the festival, it has been a special year for me.

Many things have happened since I became Mount Tahoma's 1983 Daffodil Princess, all things for the better! I have met twenty fun girlfriends and have enjoyed every minute of our "packed" schedule. Whether it was performing at nursing homes, the Daffodil Parade, or when we attended "The Magnificent Mutt Show," it is all combined into one category in my mind—and that is a year with many "Golden Memories."

I strongly urge every girl in the coming years to try for Daffodil Princess, I guarantee it will be a new and exciting experience. Best of luck!

HOMECOMING

Every year at Mount Tahoma, two people from each class are chosen to represent their class during homecoming week. This year through nominations and voting, the student body selected Manuel Gomez, Mary McCullough, Bob Barnette, Edie Bauer, Guy Kovacs and Debbie Bridges. They were given flowers and honored at the homecoming assembly

This year the theme of the Afro Pageant and Show was "Save the Children." Being Afro Princess has been a great experience for me. I've really learned a great deal. I had the chance of meeting seven nice young ladies and important Black dignitaries in the community. This will be something I will always cherish. It has been great representing Mount Tahoma. I'd like to thank my family, friends, and teachers for their encouragement and support. I really encourage all the black young ladies to go out for Afro Princess.

STUDENT LIFE

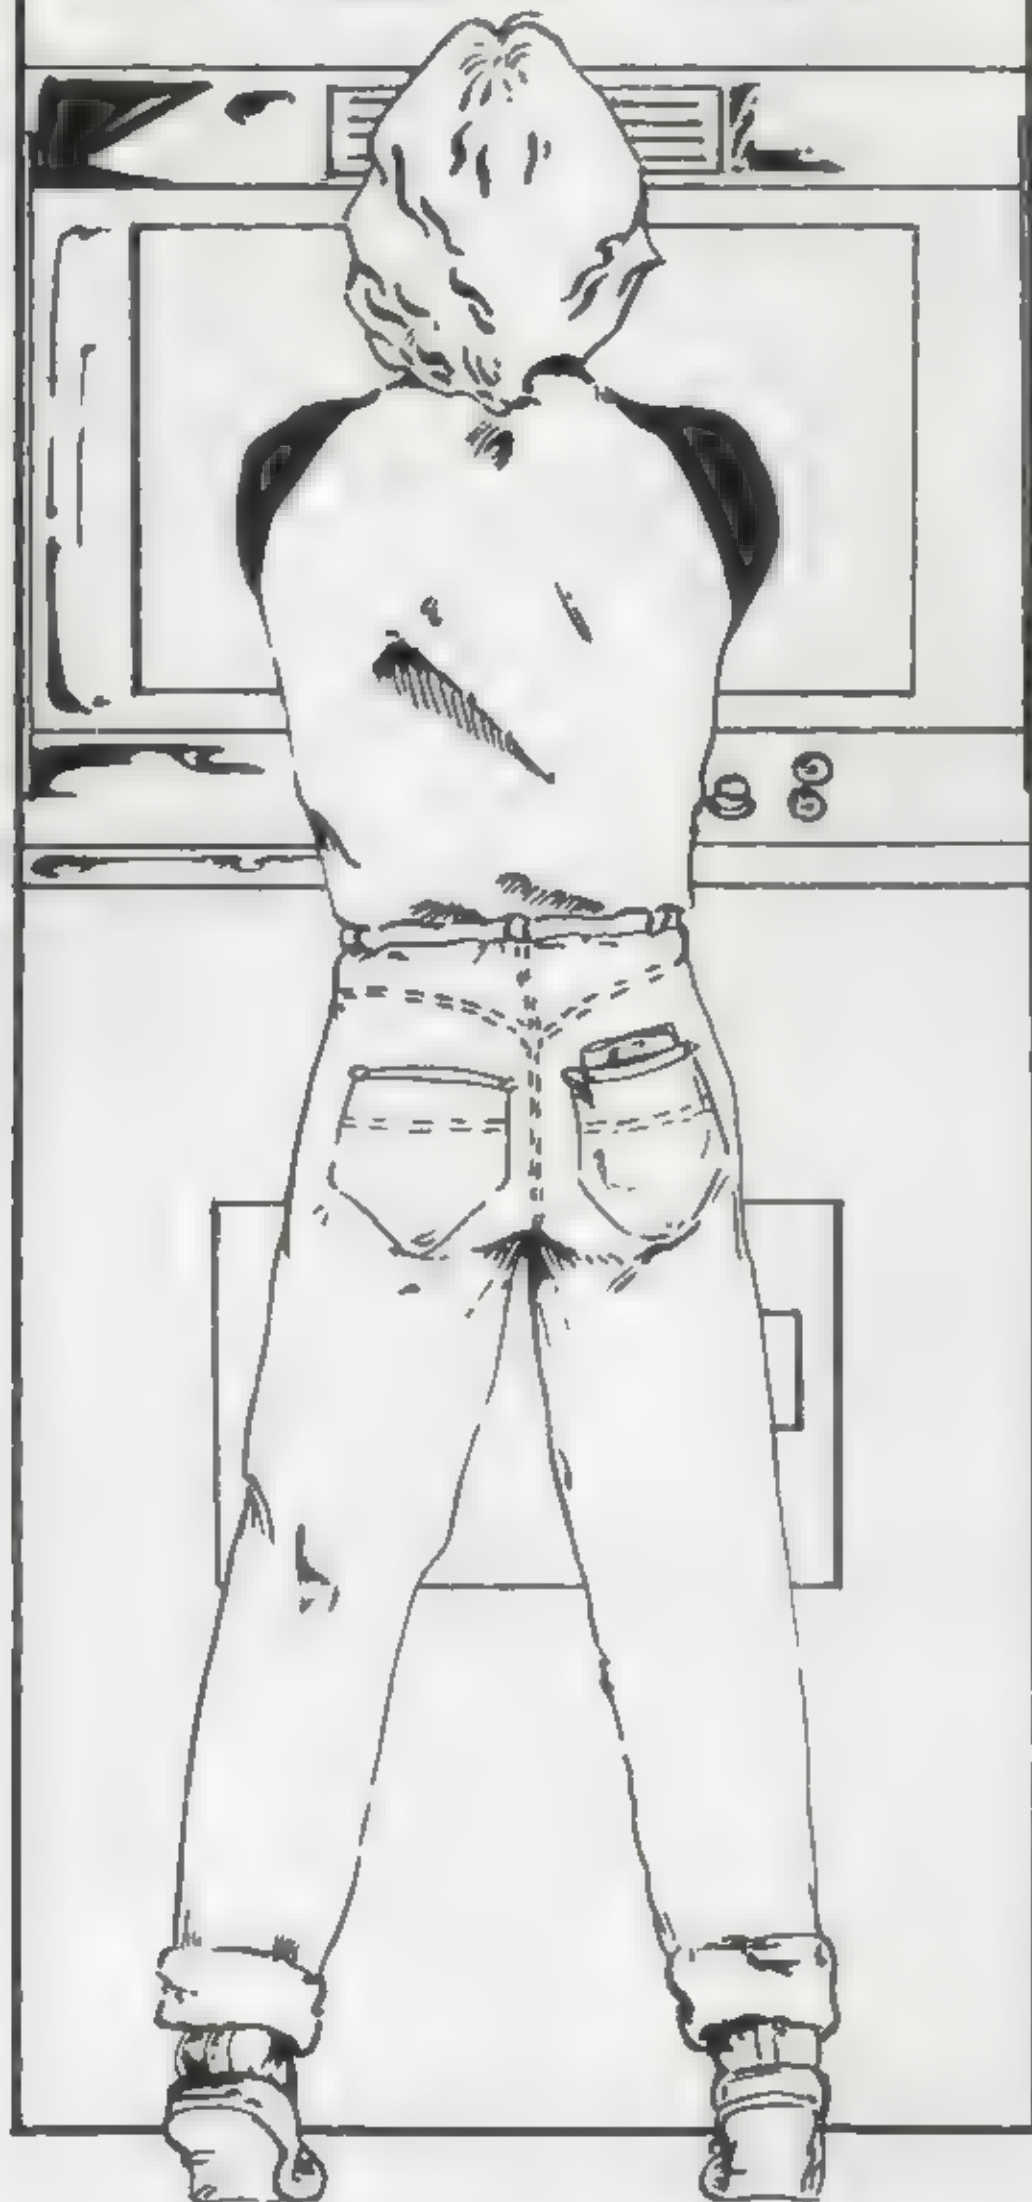

Photo by J. Mattsen

Mt. Tahoma has grown a lot this year. From being a school that was basically sports minded, we've shown that we can be #1 in other areas as well. Mt. Tahoma has different clubs ranging from recreation to academics. Different students join these clubs for various reasons which exposes them to different kinds of people.

Mt. Tahoma has grown more unified. This unity is expressed in the different activities we have had such as our campus cleanups. All the classes have worked together to clean up Mt. Tahoma and make it something we can really respect. On numerous occasions we have had these campus cleanups, and everyone has made a definite effort to make our campus look great.

Mt. Tahoma has also shown unity in the different classes. Seniors, juniors, and sophomores no longer try to prove which is the better class, but instead realize that we all belong to one student body and that by working together we can get more accomplished than by working apart.

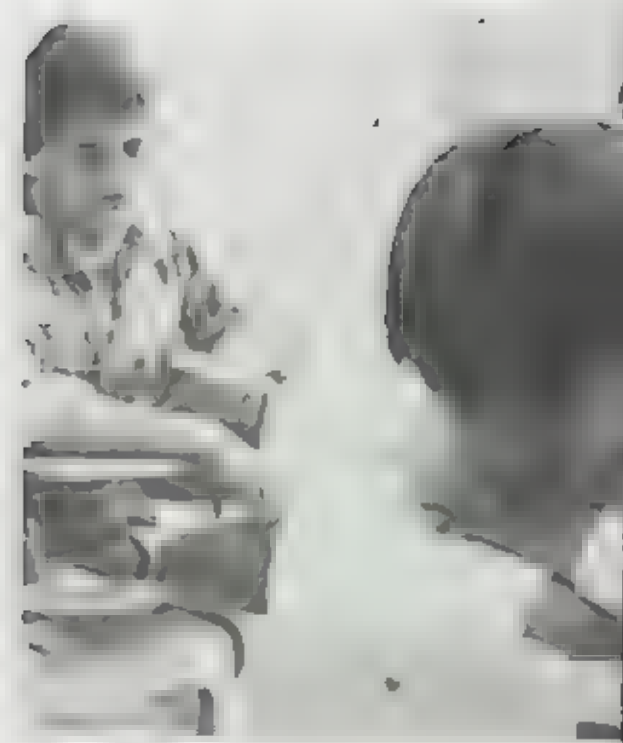

Mt. Tahoma students should be very proud of themselves. We've shown an incredible amount of school spirit. We have participated and helped to make Mt. Tahoma into something we can really be proud of. A unique, yet united school for all people.

And finally, one last look at Mount Tahoma's people, places and activities-everything that makes us what we truly are.

Photos by: Ed Williams

This year's **Totem** staff has been unique in that many kinds of people are represented. We have different races, musicians, athletes, scholars, and one who is deaf. Together, we have contributed a bit of ourselves to create a fantastic yearbook.

Also unique is the choice of theme for the book. We chose "Computers" because of its effect on our society. As we got into the actual yearbook production, we realized how easy it was to tie this theme to a high school annual. It has been a fun and creative topic.

Many times we hit obstacles, but because of someone's eagerness to help out, we always got back on the right track. Considering the setbacks and successes, if I had the chance to do it again, I know I would!! There are many people whose help we would like to acknowledge, but they are too numerous to mention. Thank you all! We hope you have enjoyed this yearbook and will look through it many times in the coming years.
